

Sixth Form Courses: Please make your subject choices below and complete the form overleaf

You should choose three courses to study in the Sixth Form (although it is also possible for you to choose four courses). Alternatively, select an IBCP Pathway where the subjects you will study are already selected for you. Choose a subject by ticking it in the relevant vertical block. You should try to choose only one subject in each vertical block. If two subjects you want to study are in the same block, tick them both. If this choice is a popular combination, we may be able to make changes to accommodate you, although we cannot guarantee this. Also, if a subject you want to study is not currently on offer, please write this on the back of this form. Please return these forms to Sixth Form staff or hand them into the box in reception.
