

Sixth Form Courses Overview

For more information about courses, please see the Sixth Form courses booklet

You should choose three courses to study in the Sixth Form (although it is also possible for you to choose four courses). You should try to choose only one subject in each vertical block. If two subjects you want to study are in the same block, you can still select them and if that clash is a popular combination, we may be able to make changes to accommodate you, although we cannot guarantee this. Also, if a subject you want to study is not currently on offer, please let us know by emailing us at: sixthform@maplesden.kent.sch.uk

To apply on UCAS progress you will need log in details.

These should have been sent directly to you from the Kent County Council, but your current school will also have this information.

- Go to the UCAS Progress website search page at www.ucasprogress.com/search
- Enter your username and password at the top of the webpage
- Once signed in, enter the information into the search box as shown above
- You will then be able to view Maplesden Sixth Form and the range of courses on offer.

A more thorough guide on how to apply using UCAS Progress can be downloaded from the Maplesden Sixth Form website
